

SECRET SURF HOUSE

The Surf House is located in the South-East part of Tenerife Island, only 15 minutes from the Tenerife South Airport, in the heart of a coastal town, quiet and typically Canarian. El Porís is one of the small towns that still preserve all the charm of the locals, without excessive tourism. Here you will find a supermarket (open every day), police station, post office, pharmacy, bank, kids playground and other small business. There are also various tapas bars and restaurants to enjoy the local food. Don't forget to visit the local Farmer's Market on Sunday mornings to checkout the organic fruits, vegetables and homemade crafts.

The Surf House, a spacious Canary style Villa, is located 100 meters from the sea and offers many services: free Wi-Fi, DVD, 3D Smart TV, movies and surf movies, 6 rooms, 4 bathrooms, 2 kitchens, a large living room to chill out, a swimming pool with a waterfall, 2 BBQs, a large garden, an outdoor shower, a terrace, yoga mats, pool table, a wine cellar and much more!!

At the Surf House you will feel at home, enjoying the tranquility and the essence of a true canary vibe after a fun day between waves and sun!
